

## **RDIA Forums Participation Policy**

Our goal is to encourage discussion on a variety of topics. RDIA Forums include all RDIA Websites, Facebook Groups, Twitter and other such social media sites. In order to maintain a civil community, we require readers to follow the following basic guidelines:

### **Right to Delete Posts**

While we make every attempt to review every message posted in RDIA Forums, we are not responsible for the content of these messages. We reserve the right to delete, move or edit messages that we deem abusive, defamatory, obscene, in violation of anti-trust, copyright or trademark laws, RDIA By-Laws or otherwise deemed unacceptable. We reserve the right to remove the posting privileges of users who violate these standards of Forum behavior at any time.

### **Uploading**

You cannot upload to any RDIA forum, or distribute or otherwise publish through it, anything that is libelous, defamatory, obscene, pornographic or abusive, or that otherwise violates any United States law.

### **Spamming**

Repeatedly posting off-topic messages or "spamming" our Forums by posting the same message in multiple topics or otherwise deliberately disrupting our Forums is unacceptable behavior that may result in the user's losing all Forum privileges and access to our site. We reserve the right to prohibit users who in any way violate acceptable Forum behavior from participating in our discussions. Users remain solely responsible for the content of their messages.
